H5P Workshop

H5P Quick-hits

If you are familiar with H5P, what do you like/dislike about it?

Please share in the chat!

What does H5P mean/stand for?

Please share in the chat!

H5P is Accessible

H5P provides a list of the accessibility status for the content types at: https://h5p.org/documentation/installation/content-type-accessibility

Note: H5P is working towards having all content types meet the Web Content Accessibility Guidelines (WCAG) 2.1 AA guidelines.

Using H5P at TRU!!!

H5P makes it easy to create, share and reuse interactive content.

At TRU you can easily create and share H5P within:

- Moodle
- WordPress
- Pressbooks

What Tool to Use

H5P displays their full range of content types at:
https://h5p.org/content-types-and-applications

Tools for Formative Assessment	- Multiple Choice - True / False - Fill in the Blanks - Mark the Words - Drag and Drop
Tools for Unit Review	- Course Presentation - Flashcards - Quiz - Summary
Tools for Multimedia Integration	- Interactive Videos - Image Hotspots
Tools for Student Submissions	- Questionnaire - Audio Recorder

Examples, Instructions and Best Practices

Let's head over to WordPress to take a look at some examples, instructions and best practices:

https://h5pworkshop.trubox.ca/

H5P and the Gradebook

Recommended gradebook settings:

- Add a category titled H5P
- Weight the category at 0.00%
- Hide the H5P category (this removes it from the students view)
- Add all H5P activities to the H5P category

Gradebook Setup area
